- Data Model
- FlowChart & Sketches

Management

- Meeting Outcome
 - Tutorial
 - Client meeting
- Feedback from PA1
- Tools for teamwork - Trello & Slack

Management

The image shows a Trello board interface with a green header and a light green background. The board is titled 'Woke' and has a search bar and a 'Boards' button in the top left. The board is divided into three columns: 'To do', 'In Progress', and 'Completed'. Each column has a list of cards representing tasks or projects. The 'To do' column has 10 cards, 'In Progress' has 4 cards, and 'Completed' has 12 cards. A '+ Add another card' button is at the bottom of each column. A '+ Add another list' button is on the right side of the board.
